

Christmas 2026 Pop up shop at North Down Museum #madeinAND

North Down Museum will once again be supporting local makers and crafters by providing an alternative opportunity to showcase their work for sale in the museum, offering a unique local shopping experience for our visitors in the lead up to Christmas.

How it will work

- You are advised to call in and see the proposed areas before submitting your application.
- Your allocated space will be like a small 'exhibition' which showcases your work. The galleries will not be manned, so your items must be able to be hung on our wall hanging system or placed within one of our display cases.
- Each item for sale must be priced & numbered by you, a price list and bio about you will be displayed at your exhibition space.
- Our staff will sell the items on your behalf; visitors will pay for their purchases at Museum reception. We will keep you informed re number of items sold.
- Payment to you for items sold will be after the exhibition is over.

What we will need from you.

- Completed application.
- Copy of current Public Liability Insurance.

Additional items to note.

- If the museum is oversubscribed, shortlisting criteria will be applied.
- This Pop-up shop is on a sale or return basis.

- You will be given a timeslot to deliver your stock.
- Museum staff will create the display.
- There will be a twilight shopping event on Thursday 26 November from 6-8pm, which you are welcome to attend/participate in.
