1 ARDS AND NORTH DOWN ARTS AND HERITAGE EXHIBITION POLICY

STATEMENT

Ards and North Down Arts and Heritage Services (AND Arts and Heritage) aim to cultivate the profile and provision for the arts and heritage in the Borough of Ards and North Down through the sustained development of an appropriate programme of arts/culture and heritage events, exhibitions and outreach activities.

AND Arts and Heritage Visual Arts Sub-Panel, under the direction of the Arts and Heritage Manager for Ards and North Down Borough Council, are responsible for recommending exhibitions at Ards Arts Centre. The Sub-Panel meet annually to review exhibition proposals and select work based on consideration of criteria outlined in this Policy.

The Arts and Heritage Manager maintains the ability to directly commission and select exhibitions that complement and meet the needs of the diverse Arts and Heritage Programme on offer.

About Ards Arts Centre

Ards Arts Centre has two galleries for temporary exhibitions; the Georgian Gallery and the Sunburst Gallery. The two galleries are non-commercial and host exhibitions by professional practicing local, national and international artists, as well as community initiatives and art organisations.

2 SUBMISSION OF PROPOSALS CRITERIA

AND Arts Service invites professional artists (solo and group shows), art organisations, and community groups to apply to exhibit their artwork at Ards Arts Centre.

Proposals will be considered by the Arts and Heritage Manager and the AND Visual Arts Sub-Panel. All proposals must follow the format and procedures laid out in this Policy.

Solo exhibitions – preference for solo exhibitions will be given to professional* practicing artists and recent graduates.

*Professionals are deemed to be those artists who have been educated to a third level in a visual or applied arts/crafts* subject area and/or hold professional membership to a recognised professional body (EG: Visual Artists Ireland, Design and Crafts Council Ireland).

For those artists who do not meet the criteria of ‘professional practicing’; consideration for solo exhibitions will be based on individual merit: EG: applicants must have a demonstrable high standard quality of work with a specialist skill set and original design within their chosen visual or applied arts/crafts subject area AND be working consistently on a full time or part time basis within the visual or applied art/craft sectors for 3 or more years, with work
regularly displayed at recognised non-commercial galleries or craft outlets/design expositions.

*Craft is considered as those disciplines defined by the Design and Crafts Council of Ireland (www.dccoi.ie).

As Ards Arts Centre galleries are non-commercial, preference will be given to non-commercial exhibitions. For instance, preference for photography exhibitions would be “photographic art” ie: contemporary/fine art/conceptual photography, and not watermarked with a logo; preference for craft exhibitions would be contemporary applied art/traditional craftsmanship, and not work from a commercial product line.

3 PROCEDURE FOR SUBMITTING PROPOSALS

Applicants must complete an online Exhibition Proposal Application Form. In this form applicants are asked to provide:

- Current address and contact details of the proposing artist or group coordinator

- Artist’s statement (of no more than 300 words) which outlines the practice of the artist(s), current research themes and interests
- Up-to-date curriculum vitae of artist(s) / group involved to include education, past/current exhibitions, and if applicable; awards/residencies/bursaries, publications, professional membership, if work has been purchased or commissioned by Government, local authority, museum or corporate client, and anything else of note
- Preferred month for exhibition and preferred gallery (if applicable)
- Jpeg images the artwork proposed or similar to the artwork proposed. Applicants are asked to provide no less than 3 and no more than 6 images per application. Please state if images supplied show the final works, works in progress, or examples of similar work.
- Please do not include additional materials (EG: catalogues, CDs, or more than 6 images).

Please note:

*Proposals which do not include the required information, or are incomplete by the time of deadline will not be considered.*

*Applications received after the deadline will not be considered.*

*All exhibitors must have current public liability insurance. Insurance certificates will be required to be provided on request by Council Officers.*
4 EXHIBITION SELECTION CRITERIA

Due to the exceptionally high volume of proposals received each round, a shortlisting process will be applied to all proposals received, if required. The Shortlist will be presented to AND Visual Arts Sub-Panel to review and select successful proposals for exhibitions based on the following criteria:

Artists may only make one proposal per round, either as a solo exhibition or as part of a group/collective exhibition. Applicants who propose to exhibit with more than one group/collective per round will not be considered.

**Scored Criteria**
- Quality of artwork – high standard of work with regard to artistic merit and presentation
- Originality of work
- Quality of concept (theme) and content of proposed exhibition

**Other Criteria Considered**
- Dates of previous exhibitions of the applicant and/or exhibitions of similar works or concepts previously exhibited at Ards Arts Centre, Ards and North Down Borough Council venues (EG: Loft Gallery, North Down Museum, Ards and North Down Visitor Information Centres), or venues within the local area within last 24 months on date of application.
- Works which will complement the diverse Arts Programme
- Diverse media and disciplines, and contemporary design
- Diversity of works by individual professional artists, recent graduates, emerging artists or groups/collectives of artists, Community Arts projects
- Local as well as national and international professional artists
- Relevance to / exploration of contemporary issues and current events
- Personal expression
- Target audience identifiable and/or potential for audience development
- Community interest
- Special requirements, costs, or requests associated with proposed exhibits
- Education and outreach potential
- Significant relevant national and international touring exhibitions
- Preference given to non-commercial exhibitions

Due to the high volume of applications received for our Georgian Gallery, recent graduates, amateur group shows and community projects will be considered for the Sunburst Gallery unless needs demonstrate the necessity for the larger space of the Georgian Gallery.

Applicants should note that while careful consideration will be given to each proposal, it may not be possible to award every applicant with an exhibition even if all the criteria are met. This is due to the limited number of exhibition slots available compared to the high volume of applications received each round, and to ensure the exhibition programme includes a wide variety of disciplines, concepts and solo and group shows and community initiatives.
Works which are deemed to be potentially contentious, of an overtly political nature, offensive, of an overtly adult nature, or unsuitable for audiences of all ages will be considered on individual content/merit and where required will be referred to the Council for approval.

- Proposals received are logged, acknowledged and shortlisted.
