

Since May 2024 Ards and North Down Borough Council have been undertaking a comprehensive engagement process to develop a new **Groomsport Village Plan**

The engagement process was designed to gather a diverse range of input through various methods, including public workshops, involvement of community groups and local schools, engagement at public events, on-street surveys and online surveys. This approach helped to ensure all members of the community were provided an opportunity to share their views.

Welcome to Groomsport ----0 S)

- Thank you for your participation in the engagement process and the invaluable feedback you provided.
- Did you meet us at Groomsport Boat House on Tuesday 9 July 2024 when we held a public engagement drop-in session?
- Did you catch us in your village completing on-street surveys, or did you complete your survey online?

We have collated all the information received through the various forms of engagement and developed a series of proposed priorities and actions. Please have a read and tell us what you think. Feedback can be provided online at www.ardsandnorthdown.gov.uk/article/2141/Current-Engagement-Opportunities or scan the QR code.

Closing date for feedback on proposals: 12noon on Friday 28 February 2025

How you currently view Groomsport...

What you told us is desirable about Groomsport...

- The village's most desirable appeal largely stems from its picturesque blue connections, with the beach and harbour serving as the central hub for both visitors and locals to engage in recreational activities like walking and swimming.
- A key aspect that enhances the village's charm is its friendly atmosphere and strong community spirit, which is evident through the active community groups.
- The village's current cafés and restaurants were also highlighted as key desirable features.
- The townscape of Groomsport significantly contributes to its desirability, characterised by vibrant

Uhat you think are the Unique Selling Points for Groomsport...

- 1 The most recognised unique selling point for Groomsport is its **sandy beach** and **picturesque harbour**. The harbour, which was once a major fishing port welcomes visitors all year round whilst the beach boosts one of Northern Ireland's few fully accessible beaches for all ages and abilities.
- 2 The lovingly restored Cockle Row Cottages thought to be 400 years old was once a pair of fishermen's cottages and represents the heritage

What you told us is undesirable about Groomsport ...

- A primary concern in the village is the children's play facilities, particularly the splash pad area and the need to replace or upgrade this facility.
- Another drawback identified was the **lack** of choice when it came to shops and cafés, particularly emphasising the need for more grocery shopping options to better serve the community's daily needs.
- Ongoing maintenance emerged as a concern in the village, particularly regarding issues like litter, dog waste, and overgrown weeds, which detract from the overall aesthetics of the village.
- Traffic and car parking were identified as significant issues, primarily due to the high volume of vehicles, excessive speeds and irresponsible car parking by users, which collectively contribute to safety concerns.

"Requires more entertainment and support for the churches youth projects"

"What was once a quiet village is now plagued by too much traffic!"
